

Agenda Item Request Form

ITEM: Consideration of approval of state application of McKenzie Park Historical Marker

BACKGROUND INFORMATION: This is the preliminary application to the Florida Department of State, Division of Historical Resources, to place a historical marker at McKenzie Park. The park is located next to the Historic McKenzie House which has been on the National Register of Historic Places since 1986. Adding a historical marker to McKenzie Park can generate community and tourism interest and give credibility to local efforts to preserve local historic sites.

STAFF RECOMMENDATION: Recommended by QoL staff.
