

City of Panama City Quality of Life Department Community Event Announcements

SLIDE 1 – The City of Panama City partnering with the non-profit Palmetto Paint PC initiated Teen Tuesday Paint Night at the Frank Nelson Clubhouse January 25. Be sure to join us February 22 as we move this step-by-step instruction downtown to the Panama City Center for the Arts. Classes start at 6 pm. Parents are encouraged to participate.

TRANSITION TO SLIDE 2 – Panama City and the Bay County Branch of the NAACP kicked off Black History Month at City Hall February 1 with song, dance, literature, and the official reading of the proclamation. The NAACP alongside other notable community organizations are sponsoring and hosting Black History Month Celebration events all throughout the month of February.

TRANSITION TO SLIDE 3 – Quality of Life Park Maintenance teams spent the last few weeks getting Woods Field and many other City athletic properties treating existing playing surfaces,

installing new irrigation systems, and improving the overall aesthetics of our parks. Look for more improvements to come in the near future as we prepare for spring sports.

TRANSITION TO SLIDE 4 – Help us Retree PC. Pick up a free tree on Sat. Feb. 12 at either the Downtown or St. Andrews Farmers Markets. The giveaway starts at 9 a.m. at both locations and runs while supplies last. This Valentine’s Tree Giveaway features Oaks and Magnolias, both native Florida species. Limit one tree per person please.

TRANSITION TO SLIDE 5 – On February 26, celebrate Black History Month with us out at McKenzie Park downtown, from noon – 5 pm. at the City of Panama City Family Heritage Reunion. Along with food, music and local artists we’re hosting spoken word, a High School Rap Battle competition, Praise Teams, and the Michael Grady Choir. Additionally, we’ll recognize the historic significance of the Jackson E. Jones Baseball league within the Panama City community.

TRANSITION TO SLIDE 6 – Finally, the City of Panama City is happy to announce the official grand re-opening of Oak Grove

Field at 17th and Lincoln Avenue. To celebrate, on March 4 from 6-9 pm., the City along with the Jackson E. Jones Baseball league invite you to join us out at the park for live music with a DJ, games, and a good ole fashion cookout during our Oak Grove Community Day. We also want to thank Florida Power and Light for their hard work helping us get this park ready for use, specifically in providing the lighting at the park. Without the help of great community partners projects like this would never come to fruition.
