ITEM: Request to ratify a proposal to enter into an agreement with Ten-8 Fire & Safety, LLC to purchase a Pierce Aerial Platform apparatus

BACKGROUND INFORMATION: Panama City Fire Department (PCFD) has placed its fire apparatuses on a replacement schedule to ensure we are maintaining the most effective and efficient fleet possible while minimizing budgetary impacts due to maintenance. By accepting this proposal before February 1, 2022, there will be a cost savings of approximately 9%. This is due to the increase of materials and equipment associated with the manufacturing process of this apparatus after this date. This apparatus is being purchased with funds appropriated by the Fire Assessment fee through Ten-8 Fire & Safety, LLC who uses the Sourcewell competitive bidding Co-op program. Sourcewell was selected over the State of Florida Sheriff's State Contract due to an additional cost savings of approximately \$9,292.00. This is a request to ratify the proposal signed by the City Manager.
