ITEM: Consideration and authorization to allow the Market at St. Andrews to be held in Oaks by the Bay Park.

BACKGROUND INFORMATION: For several years, the Market at St. Andrews has held Saturday events on the Yacht Basin property located at 1213 Beck Avenue. The owner has future plans to develop this property; therefore, another location is needed for the Market. Staff has worked with Quality of Life, as well as received multiple requests from community members for the Market to move to Oaks by the Bay Park. Since the Park has restrictive covenants from the Florida Communities Trust, support and approval for this move must be obtained from the Department of Economic Opportunity (DEO). Staff has reached out to DEO and received their verbal support; however written approval is needed. Legal has prepared the attached **Permit For Recurring Event Use of Oaks By The Bay Park** to obtain that written approval. Once the permit is submitted, DEO requires a sixty-day (60) turnaround time for formal approval.

DEPARTMENT HEAD RECOMMENDATION: Staff recommends approval.
