**ITEM:** Considerations of ranking firms for providing Debris Management and Removal Services.

**BACKGROUND INFORMATION:** A Request for Proposals (RFP) was advertised by the City to review competitive proposals for the role of Debris Management and Removal Services for declared disasters. Eleven proposals for Debris Management and Removal Services were received and evaluated by a City staff selection committee. All proposals were evaluated and met the minimum qualifications in the RFP. During the selection process the following firms were ranked in the following order 1. Crowder Gulf 2. Phillips & Jordan 3. D&J Enterprises 4. Ashbritt, Inc. City staff recommends four contracts with Crowder Gulf being the primary contract and secondary contracts with #2 Phillips & Jordan, #3 D&J Enterprises, and #4 Ashbritt. All contracts would be one year in length with four, 12-month optional renewals. No funds are required until a contract is tasked to respond to a declared disaster event.
