**ADDENDUM 4
BID No. PC22-021
PROFESSIONAL SERVICES FOR PANAMA CITY SRF PROJECTS - GENERAL
ENGINEER(S) – CONTINUING BASIS
AUGUST 17, 2022**

The purpose of this addendum is to make a correction to the Request for Qualifications for the City of Panama City, Florida (“the City”) for Bid No. PC22-021 ~ Professional Services for SRF Projects – General Engineer(s) – Continuing Basis.

1. The Public Notice improperly states that this is to seek professional services for “continuing contracts” which includes providing the City with the ability to solicit Qualifications for future projects directly from the consultant.

The Public Notice and RFQ should read that this is to seek professional services for SRF projects and includes providing the City with the ability to issue task orders for the SRF projects. This correction is to be made throughout the document anytime the words “continuing contracts” is used.

Further, any reference to “continuing contracts” should be stricken.

Acknowledgement of receipt of this addendum is not required. Addenda are posted on the City website and the bidder is responsible to check this site or contact the Purchasing Office at (850) 691-4902, prior to the bid opening to receive a listing of all addenda.
