General Information

1. Home must be located within the Downtown North or Millville CRA boundaries.
2. Homeowners must own and occupy the house that is being repaired.
3. House must be safe and manageable for volunteers to work on. Volunteer organizations are responsible for selecting houses from a pool of program applicants.
4. Repairs are generally limited to basic exterior home improvements and painting that can be accomplished by unskilled and semi-skilled volunteers. Not all improvements desired by the homeowner may be able to be accomplished. No electrical or interior improvements will be provided.
5. Homeowners must release volunteer organizations and the City of Panama City/CRA from any and all liability associated with work performed on the house.
6. Completing the application does not guarantee that an application will be approved, and a house selected. Applications will be reviewed on a first-submitted, first-reviewed basis. Applicants will be required to submit proof of ownership, and evidence that City and County taxes have been paid.
7. Homeowners will be notified by City of Panama City CRA whether or not their house has been selected. They will also be notified of any improvements that would have to be made to the house in order for the volunteers to make their improvements. Some advance work may have to be performed on the house by a professional contractor(s) hired by the homeowner in order to get the house into a condition that permits the volunteers to perform their work.
