INDEPENDENT AUDITOR'S REPORT

To the Honorable Mayor, City Commissioners,
and City Manager
Panama City Community Redevelopment Agency

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of the governmental activities of Panama City Community Redevelopment Agency, component unit of the City of Panama City, Florida, as of and for the year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the Panama City Community Redevelopment Agency's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the governmental activities of the Panama City Community Redevelopment Agency, as of September 30, 2023, and the changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Panama City Community Redevelopment Agency and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Panama City Community Redevelopment Agency's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Panama City Community Redevelopment Agency's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Panama City Community Redevelopment Agency's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the budgetary comparison information on pages 23-26 be presented to supplement the basic financial statements.

Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required Supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Management has omitted the management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated June 20, 2024, on our consideration of the Panama City Community Redevelopment Agency's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Panama City Community Redevelopment Agency's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Panama City Community Redevelopment Agency's internal control over financial reporting and compliance.

**PANAMA CITY COMMUNITY REDEVELOPMENT AGENCY
STATEMENT OF REVENUES, EXPENDITURES, AND CHANGES IN FUND BALANCES -
RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES, AND CHANGES
IN FUND BALANCES OF GOVERNMENTAL FUNDS TO THE STATEMENT OF ACTIVITIES
GOVERNMENTAL FUNDS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023**

Net change in fund balances - total governmental funds	\$	259,682
---	----	---------

Amounts reported for *governmental activities* in the statement of activities are different because:

Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives as depreciation expense.

Expenditures for capital assets	\$ 453,390		
Less current year depreciation	(394,102)		59,288

The net effect of various miscellaneous transactions involving capital assets (e.g. sales, trade-ins, donations) is to increase net position			(20,056)
---	--	--	----------

The issuance of long-term debt (leases) provides current financial resources to governmental funds, while the repayment of the principal of long-term debt consumes the current financial resources of governmental funds. Neither transaction, however, has any effect on net position. Also, governmental funds report the effect of premiums, discounts, and similar items when debt is first issued, whereas these amounts are deferred and amortized in the statement of activities. This amount is the net effect of these differences in the treatment of long-term debt and related items.

		63,788

Change in net position of governmental activities	\$	<u>362,702</u>
--	----	----------------

**PANAMA CITY COMMUNITY REDEVELOPMENT AGENCY
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023**

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Reporting Entity

On November 22, 1983, the City of Panama City, Florida (City) adopted ordinance No. 1153 designating the Panama City Downtown Improvement Board as the Panama City Community Redevelopment Agency (Agency) pursuant to Florida Statute 163.357(2). On September 12, 2006, the City restructured the Agency by adopting ordinance No. 2216 pursuant to Florida Statute Section 163.357. Four community redevelopment areas (CRA) have been established for which separate trust funds have been opened. The Downtown CRA was established to finance projects within the central business region in Downtown Panama City. The Downtown CRA district was extended for an additional 20 years by action of the City Commission under the provisions of Florida Statute Chapter 163 part III. Ordinance No. 2488 and No. 2489 were adopted on March 12, 2013 and may be found in the public records of the City and the Agency. The Downtown North CRA was established to finance projects in the Downtown North region of Panama City. The St. Andrews CRA was established to finance projects in the St. Andrews region of Panama City. The Millville CRA was established to finance projects in the Millville region of Panama City.

The accounting methods and procedures adopted by the Agency, a component unit of the City, conform to United States generally accepted accounting principles (GAAP) as applied to governmental entities.

Members of the Agency are appointed by the Panama City Commissioners. Because of the City's ability to exercise oversight responsibility, the Agency is included in the general-purpose financial statements of the City as a blended component unit.

Revenues are derived from the incremental increases in Ad valorem taxes levied each year by taxing authorities, except school districts and water management districts, on taxable real property in the project areas using the year each agency was established as its tax base year. The Agency received \$1,132,557 in Ad valorem taxes from the City for the year ended September 30, 2023.

The accompanying financial statements have been prepared in conformity with GAAP as prescribed by the Governmental Accounting Standards Board (GASB). GASB is the accepted standard setting body for governmental accounting and financial reporting.

The external statements are prepared from accounts of the Agency that are organized and operated on the basis of funds. A fund is an independent fiscal and accounting entity with a self-balancing set of accounts.

Governmental funds are used to account for the Agency's governmental activities, including the collection and disbursement of specific or legally restricted monies, the acquisition or construction of capital assets, and the servicing of general long-term debt.

PANAMA CITY COMMUNITY REDEVELOPMENT AGENCY
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The Agency's governmental funds are special revenue funds, which are the Agency's primary operating funds. The special revenue funds account for all financial activities of the Agency and are included in the preparation of the entity-wide financial statements and the fund financial statements.

Measurement Focus and Basis of Accounting

The basic financial statements of the Agency are composed of the following:

- Government-wide financial statements
- Fund financial statements
- Notes to financial statements

Government-Wide Financial Statements

Government-wide financial statements display information about the reporting government as a whole. Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which rely, to a significant extent, on fees and charges for support. The Agency had no business-type or fiduciary activities for the year ended September 30, 2023.

Government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting, as are the fund financial statements. Under the accrual basis of accounting revenues, expenses, gains, losses, assets, and liabilities resulting from exchange and exchange-like transactions are recognized when the exchange takes place. Revenues, expenses, gains, losses, assets, and liabilities resulting from nonexchange transactions are recognized in accordance with the requirements of GASB.

Amounts paid to acquire capital assets are capitalized as assets in the government-wide financial statements, rather than reported as expenditures. Proceeds of long-term debt are recorded as liabilities in the government-wide financial statements, rather than as other financing sources. Amounts paid to reduce long-term indebtedness of the reporting government are reported as reductions of the related liabilities, rather than as expenditures.

Ad valorem tax revenues are recognized in the year for which they are levied. Grants, entitlements, and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met. Program revenues include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and entitlement revenues that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not reported as program revenues are reported as general revenues.

PANAMA CITY COMMUNITY REDEVELOPMENT AGENCY
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The statement of activities demonstrates the degree to which the direct expenses of a given function, segment, or program are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Indirect expenses not allocated to functions are reported separately. Interest on general long-term debt is considered such an indirect expense.

Fund Financial Statements

Governmental fund types use the flow of current financial resources measurement focus and the modified accrual basis of accounting. Current financial resources measurement focus generally means that only current assets and current liabilities are included in the balance sheet. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual (i.e., when they are “measurable and available”). “Measurable” means the amount of the transaction can be determined and “available” means collectible within the current period or soon enough thereafter to pay liabilities of the current period.

The Agency considers grants, entitlements, and other revenues available if collected within 60 days after year-end. Grants, entitlements, and interest are all considered to be susceptible to accrual and are recognized as revenues of the fiscal year. All other revenue items are considered to be measurable and available only when cash is received by the Agency.

Expenditures are recorded when the related liability is incurred. However, debt service expenditures, as well as expenditures related to compensated absences, are recorded only when payment is due. Issuance of long-term debt and acquisitions under leases are reported as other financing sources.

Budgetary Data

Formal budgetary accounting is generally employed as a management control for all funds. Annual operating budgets are adopted each year by the Agency and amended as required. The same basis of accounting is used to reflect actual revenues and expenditures/expenses as recognized by GAAP.

Commitments for goods and services at the end of the year are recorded as encumbrances for budgetary control. These encumbrances lapse at the end of the year and become part of the following year’s budgetary amounts. All unencumbered budgeted appropriations, except project budgets, lapse at the end of each fiscal year.

Excess of Expenditures over Appropriations

The Agency had expenditures exceeding appropriations by \$935,842 for the year ended September 30, 2023. Unexpected expenses arose that were not budgeted. The Board has sufficient reserves to fund the expenditures and will be more conscientious regarding the need for budget amendments going forward.

PANAMA CITY COMMUNITY REDEVELOPMENT AGENCY
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Cash and Cash Equivalents

The Agency considers all demand accounts and money market funds which are not subjected to withdrawal restrictions to be cash and cash equivalents.

The Agency pools cash resources of its various funds to facilitate the management of cash. Cash applicable to a particular fund is readily identifiable. The balance in the pooled cash accounts is available to meet current operating requirements. Cash in excess of current requirements may be invested in accordance with the Agency's investment policy.

Receivables

Receivables are reported at their gross value. Management considers all receivables as collectible, therefore, no provision for doubtful accounts is provided in these financial statements.

The Agency participates in loan rehabilitation programs that assist low-income residents in obtaining safe and sanitary housing, businesses in downtown improvement areas, and rental housing improvements. The loans are due and payable at their respective maturity dates or change of home ownership, whichever occurs first. The Agency maintains a security interest in the property. These loans are non-interest bearing and will mature at various dates up to 2026.

Inventories

Inventories are valued at cost and consist of real estate held for resale. Inventory of governmental funds is recorded as expenditures when consumed rather than when purchased.

Capital Assets

Capital assets are recorded as expenditures at the time of purchase and are capitalized at historical cost in the statement of net position. Capital assets are defined typically as assets with an initial, individual cost of more than \$3,500 and an estimated useful life in excess of two years. Donated capital assets are recorded at acquisition value on the date received. The costs of normal maintenance and repairs that do not add value to the asset or materially extend asset lives are not capitalized. Depreciation is provided using the straight-line method over the estimated useful lives of the related assets. Estimated useful lives are as follows:

Buildings	30 years
Improvements other than buildings	10 years
Machinery and equipment	5-10 years
Roads/infrastructure	40 years

PANAMA CITY COMMUNITY REDEVELOPMENT AGENCY
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Leases

Leases are defined by the general government as the right to use an underlying asset. As lessee, the Agency recognizes a lease liability and an intangible right-of-use lease asset at the beginning of a lease unless the lease is considered a short-term lease or transfers ownership of the underlying asset. Right-of-use lease assets are measured based on the net present value of the future lease payments at inception, using the weighted average cost of capital, which approximate the incremental borrowing rate. Remeasurement of a lease liability occurs when there is a change in the lease term and/or other changes that are likely to have a significant impact on the lease liability.

The Agency calculates the amortization of the discount on the lease liability and report that amount as outflows of resources. Payments are allocated first to accrued interest liability and then to the lease liability. Variable lease payments based on the usage of the underlying assets are not included in the lease liability calculations but are recognized as outflows of resources in the period in which the obligation was incurred.

As lessor, the Agency recognizes a lease receivable. The lease receivable is measured using the net present value of future lease payments to be received for the lease term and deferred inflow of receivables at the beginning of the lease term. Periodic amortization of the discount on the receivable are reported as interest revenue for that period. Deferred inflows of resources are recognized as inflows on a straight-line basis over the term of the lease. This recognition does not apply to short-term leases, contracts that transfer ownership, leases of assets that are investments, or certain regulated leases. Any initial direct costs are reported as an outflow of resources for that period. Re-measurement of lease receivables occur when there are modifications, including but not limited to changes in the contract price, lease term, and adding or removing an underlying asset to the lease agreements. In the case of a partial or full lease termination, the carrying value of the lease receivable and the related deferred inflows of resources will be reduced and will include a gain or loss for the difference.

For lease contracts that are short-term, the Agency recognizes short-term lease payments as inflows of resources (revenues) based on the payment provisions of the lease contract. Liabilities are only recognized if payments are received in advance, and receivables are only recognized if payments are received subsequent to the reporting period.

Deferred Inflows of Resources

In addition to liabilities, the statement of net position reports a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources*, represents an acquisition of net position that applies to future periods and so will *not* be recognized as an inflow of resources (revenue) until that time. The Agency has one item that qualifies for reporting in this category which is related to leases as discussed in Note 7.

PANAMA CITY COMMUNITY REDEVELOPMENT AGENCY
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Net Position

Net position is classified in two categories. The general meaning of each is as follows:

Net investment in capital assets represents the difference between the cost of capital assets, less accumulated depreciation reduced by the outstanding balances of any borrowings used for the acquisition, construction, or improvement of those assets.

Restricted net position is liquid assets (generated from revenues) which are not accessible for general use because of third-party (statutory) limitations.

When both restricted and unrestricted resources are available for use, it is the Agency's policy to use restricted resources first, then unrestricted resources as they are needed.

Fund Balance Reporting

In accordance with GASB Statement No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions*, the Agency classifies governmental fund balances as follows:

Non-spendable – the portion of a fund balance that cannot be spent because they are either not in spendable form (such as prepaid amounts and inventories) or legally or contractually required to be maintained intact.

Restricted – the portion of a fund balance for which external constraints are placed on the use of resources that are either externally imposed by creditors, grantors, contributors, or laws or regulation of other governments; or imposed by law through constitutional provisions or enabling legislation.

The Agency considers restricted amounts to be spent first when both restricted and unrestricted fund balance is available unless there are legal documents/contracts that prohibit doing this, such as in grant agreements requiring dollar for dollar spending. Additionally, the Agency would first use committed, then assigned, and lastly unassigned amounts of unrestricted fund balance when expenditures are made.

Compensated Absences

It is the Agency's policy to permit employees to accumulate earned but unused vacation and sick pay benefits. All vacation pay is accrued when incurred in the government-wide financial statements. One third of total sick leave balances of employees with six years or more of service is accrued in the government-wide financial statements. In accordance with GAAP, for the governmental funds in the fund financial statements, all of the compensated absences are considered long-term and, therefore, are not a fund liability and represent a reconciling item

PANAMA CITY COMMUNITY REDEVELOPMENT AGENCY
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

between the fund level and government-wide presentations. Employees are entitled to certain compensated absences based on their length of employment. With minor exceptions, compensated absences either vest or accumulate and are accrued when they are earned. The amount of accrued annual leave and sick pay at September 30, 2023 was \$3,648.

Interfund Transactions

Interfund transactions (transactions between the Agency and the City) are reflected as services provided. Services provided are treated as revenues and expenditures/expenses. The Agency paid the City \$185,107 in operating expenditures during the year ended September 30, 2023.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Recently Issued Accounting Pronouncements

In May 2019, the GASB issued Statement No. 91, *Conduit Debt Obligations*. The objective of this statement is to provide a single method of reporting conduit debt obligations by issuers and eliminate diversity in practice associated with 1) commitments extended by issuers, 2) arrangements associated with conduit debt obligations, and 3) related note disclosures. The requirements of this statement are effective for reporting periods beginning after December 15, 2021. The Agency has implemented GASB Statement No. 91 in this report, however, it does not have any current impact on the Agency.

In March 2020, the GASB issued Statement No. 94, *Public-Private and Public-Public Partnerships and Availability Payment Arrangements*. The objective of this statement is to better meet the information needs of financial statement users by improving the comparability of financial statements among governments that enter into public-private and public-public partnership arrangements (PPPS) and availability payment arrangements (APAs) and by enhancing the understanding, relevance, and consistency of information about PPPS and APAs. The requirements of this statement are effective for reporting periods beginning after June 15, 2022. The Agency has implemented GASB Statement No. 94 in this report, however, it does not have any current impact on the Agency.

In May 2020, the GASB issued Statement No. 96, *Subscription-Based Information Technology Arrangements*. The objective of this statement is to provide guidance on the accounting and financial reporting for subscription-based information technology arrangements (SBITAs) for government end users (governments). The requirements of this statement are effective for reporting periods beginning after June 15, 2022. The Agency has implemented GASB Statement No. 96 in this report, however, it does not have any current impact on the Agency.

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

In April 2022, the GASB issued Statement No. 99, *Omnibus 2022*. The objectives of this statement are to enhance comparability in accounting and financial reporting and to improve the consistency of authoritative literature by addressing 1) practice issues that have been identified during implementation and application of certain GASB Statements and 2) accounting and financial reporting for financial guarantees. Certain provisions of this statement are effective upon issuance, while other provisions are effective for years beginning after June 15, 2022 and 2023. The Agency has implemented the provisions of GASB Statement No. 99 that are effective upon issuance and for years beginning after June 15, 2022. The Agency is evaluating the impact, if any, upon its financial position, results of operations, or cash flows upon adoption of all other provisions.

In June 2022, the GASB issued Statement No. 100, *Accounting Changes and Error Corrections—an Amendment of GASB Statement No. 62*. This statement prescribes the accounting and financial reporting for 1) each type of accounting change and 2) error corrections. This statement requires that a) changes in accounting principles and error corrections be reported retroactively by restating prior periods, b) changes to or within the financial reporting entity be reported by adjusting beginning balances of the current period, and c) changes in accounting estimates be reported prospectively by recognizing the change in the current period. The requirements of this statement are effective for financial statements for reporting period beginning after June 15, 2023. The Agency is evaluating the impact, if any, upon its financial position, results of operations, or cash flows upon adoption.

In June 2022, the GASB issued Statement No. 101, *Compensated Absences*. This statement clarifies the recognition and measurement guidance for compensated absences. This statement requires that liabilities for compensated absences be recognized for 1) leave that has not been used and 2) leave that has been used but not yet paid in cash or settled through noncash means. The requirements of this statement are effective for financial statements for reporting periods beginning after December 15, 2023. The Agency is evaluating the impact, if any, upon its financial position, results of operations, or cash flows upon adoption.

In December 2023, the GASB issued Statement No. 102, *Certain Risk Disclosures*. This statement provides users of government financial statements with essential information about risks related to a government's vulnerabilities due to certain concentrations or constraints. This statement requires a government to assess 1) whether a concentration or constraint makes the primary government reporting unit or other reporting units that report a liability for revenue debt vulnerable to the risk of a substantial impact and 2) whether an event or events associated with a concentration or constraint that could cause the substantial impact have occurred, have begun to occur, or are more likely than not to begin to occur within 12 months of the date the financial statements are issued. The requirements of this statement are effective for fiscal years beginning after June 15, 2024. The Agency is evaluating the impact, if any, upon its financial position, results of operations, or cash flows upon adoption.

NOTE 2 – DEPOSITS WITH FINANCIAL INSTITUTIONS

GASB Statement No. 40, *Deposit and Investment Risk Disclosures-an amendment of GASB Statement No. 3* is designed to inform financial statement users about deposit and investment risks that could affect a government's ability to provide services and meet its obligations as they become due. GASB Statement No. 40 addresses common deposit and investment risks related to credit risk, custodial credit risk, concentration of credit risk, interest rate risk, and foreign currency risk and requires that deposit and investment policies related to the risks be disclosed, as applicable.

In accordance with GASB Statement No. 40, the following disclosures are made regarding the Agency's deposit balance as of September 30, 2023:

Deposits

Under the Agency's investment policy, the Agency may invest in obligations of the U.S. Treasury and its agencies, interest-bearing time deposits, or savings accounts in banks provided that such deposits are secured by collateral as prescribed by Chapter 280, Florida Security for Public Deposits Act, of the Florida Statutes and the State Treasurer's investment pool. Included in the Agency's cash balances are amounts deposited with banks in interest-bearing accounts, non-interest-bearing demand accounts, and interest-bearing time deposit accounts. The bank balances are entirely insured by federal depository insurance or by collateral pursuant to the Florida Security for Public Deposits Act of the State of Florida.

Investments

Section 218.415, Florida Statutes, limits the types of investments that a government can invest in unless specifically authorized in an investment policy. The Agency has adopted an investment policy pursuant to Section 218.415, Florida Statutes, that established permitted investments, asset allocation limits, issuer limits, and maturity limits to protect the Agency's cash and investment assets. The investment policy applies to all cash and investments held or controlled by the Agency.

The Agency is authorized to undertake investments in the following authorized investments:

- a. United States Government Securities
- b. Interest Bearing Time Deposit or Saving Accounts
- c. Federal Instrumentalities (United States Government sponsored agencies)
- d. Repurchase Agreements
- e. Money Market accounts placed with financial institutions qualifying as public depositories as provided for in Chapter 280, Florida Statutes
- f. Registered Investment Companies (Mutual Funds)
- g. Intergovernmental Investment Pool
- h. Commercial Paper

SEPTEMBER 30, 2023**

NOTE 3 – PROPERTY TAX CALENDAR

The Bay County Tax Collector collects property taxes on behalf of each municipality within the county boundaries. By May 31st, during each year for which taxes are levied, all taxes have been collected and remitted to the Agency or the delinquent taxes are raised by public auction of tax certificates and proceeds are remitted to the Agency shortly after the certificates are sold. Because of this arrangement there are no material unremitted tax revenues for each fiscal year on September 30th.

The Agency receives property taxes from the City and Bay County, Florida, who assesses and collects the taxes. The property tax revenue calendar is as follows:

Lien date	January 1	Payment due by	March 31
Levy date	October 1	Delinquent date	April 1
Tax bill mailed	November 30	Tax sale-delinquent property tax	June 1

NOTE 4 – RISK MANAGEMENT

The Agency is exposed to various risks of loss related to torts; thefts of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Agency maintains commercial insurance coverage covering each of the above risks of loss. Management believes that the coverage is adequate to preclude any significant uninsured risk exposure to the Agency. Settled claims have not exceeded this commercial coverage in any of the past three fiscal years.

NOTE 6 – LONG-TERM LIABILITIES

Changes in long-term governmental liability obligations for the year ended September 30, 2023 are as follows:

	Balance September 30, 2022	Increases	Decreases	Balance September 30, 2023	Due in One Year
Compensated absences	\$ 3,648	\$ 9,408	\$ 9,408	\$ 3,648	\$ 912
Lease liability	63,786	-	63,786	-	-
Total long-term liabilities	<u>\$ 67,434</u>	<u>\$ 9,408</u>	<u>\$ 73,194</u>	<u>\$ 3,648</u>	<u>\$ 912</u>

NOTE 7 – LEASES

On September 30, 2008 an agreement was made between the Agency and the City. The City has agreed to purchase park property requested by the Agency for not more than 2.5 million dollars. The Agency agrees to lease the property from the City. The rent will be an amount equal to the difference between any acquisition grants secured and the actual purchase costs of the property in annual amounts amortized over fifteen years. At September 30, 2023, the future rental commitments were not determinable.

Agency as Lessee

The Agency accounts for leases in accordance with GASB 87, *Leases*. In April 2022, the Agency entered into a lease agreement to obtain the right-to-use lease equipment. The lease is for twenty-four months with an optional renewal of twenty-four months that the Agency is not reasonably certain will be exercised, with annual payments of \$65,000 and an incremental borrowing rate of 1.902%.

Agency as Lessor

Downtown North CRA rents out its premises for events on a first come, first serve basis. These rents are not consistent and are not readily determinable. In addition, the Agency leases office space to several non-profit organizations. The leases are for five years with monthly payments ranging from \$400 to \$2,239, expire from September 2026 to November 2026, and an incremental borrowing rate ranging from 0.632% to 0.804%. For the year ended September 30, 2023, the Agency reported rents and royalties of \$81,555, of which \$52,000 is noncancellable, and interest revenue of \$1,274 related to noncancellable lease payments received.

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

NOTE 7 – LEASES (Continued)

Principal and interest to maturity for the lease asset receivables at September 30, 2023 is as follows:

Year Ended September 30	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
2024	\$ 57,045	\$ 1,030	\$ 58,075
2025	55,053	622	55,675
2026	55,410	265	55,675
2027	8,770	30	8,800
2028	<u>799</u>	<u>1</u>	<u>800</u>
Total	<u>\$ 177,077</u>	<u>\$ 1,948</u>	<u>\$ 179,025</u>

NOTE 8 – RETIREMENT PLAN

The Retirement Plan and Trust for the General Employees of the City of Panama City, Florida

Plan Description – The Agency participates in the Retirement Plan and Trust for the General Employees of the City (Fund). The Fund is a single-employer defined contribution plan administered by Voya Financial.

Plan Provisions and Eligibility – All full-time Agency employees hired after January 1, 1996, are eligible to participate in the Plan. The City ordinances establish these plan provisions. Participants must be 18 years or older with three months of service. The effective date of participation is the first day of the month coinciding with or following ninety days of employment. Members qualify for normal retirement on the participant's 65th birthday. See City Code section 2-334.11.

Each participant who is an employee on his or her attainment of normal retirement age or is terminated as a result of death or disability, to the extent not then vested, shall become fully vested. Upon the death of the participant, the participant's vested plan account shall be paid to the participant's beneficiary. If a participant's employment terminates for any reason other than retirement, disability, or death, the benefits shall be vested as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

**PANAMA CITY COMMUNITY REDEVELOPMENT AGENCY
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023**

NOTE 8 – RETIREMENT PLAN (Continued)

The unvested portion shall be forfeited on the day the participant's employment is terminated. Any forfeitures that result from a participant's termination before he or she completes at least twelve months of service will be returned to the employer. All other forfeitures are allocated to the employer contribution accounts of eligible participants.

Contribution Obligations – The Agency is required by a resolution of the City to contribute 10% of participants' salaries to the plan. The City Commission has the authority to change contribution amounts. Total pension expense amounted to \$21,126, of which \$1,645 was forfeitures, for the year ended September 30, 2023. This is a noncontributory plan.

A separately issued annual report of the Fund is available from Voya Financial, Plan Number 666935, 1 Orange Way C35, Windsor, CT 06095.

NOTE 9 – ENCUMBRANCES

The amount of encumbrances at year-end do not constitute expenditures or liabilities; therefore, they are not reflected in the financial statements. The amount of encumbrances outstanding as of September 30, 2023 are as follows:

Governmental Funds –	
Downtown CRA	\$ 3,036
Downtown North CRA	67,178
St. Andrews CRA	<u>423,912</u>
 Total outstanding encumbrances	 <u>\$ 494,126</u>

NOTE 10 – CONSTRUCTION COMMITMENTS

The Agency has outstanding commitments for construction contracts at year-end. The commitments represent the difference between the contract prices of the various projects and the amounts paid on each contract. Outstanding construction commitments as of September 30, 2023 are as follows:

Governmental Funds –	
St. Andrews CRA	\$ <u>423,877</u>

NOTE 11 – SUBSEQUENT EVENTS

The Agency evaluated the effect subsequent events would have on the financial statements through June 20, 2024, which is the date the financial statements were available to be issued.

COMPLIANCE SECTION

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER
MATTERS BASED ON AN AUDIT OF COMPONENT UNIT FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Honorable Mayor, City Commissioners,
and City Manager
Panama City Community Redevelopment Agency

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities of Panama City Community Redevelopment Agency, component unit of the City of Panama City, Florida, as of and for the year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise Panama City Community Redevelopment Agency's basic financial statements and have issued our report thereon dated June 20, 2024.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Panama City Community Redevelopment Agency's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Panama City Community Redevelopment Agency's internal control. Accordingly, we do not express an opinion on the effectiveness of Panama City Community Redevelopment Agency's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We identified certain deficiencies in internal control, described below as item 2023-001 that we consider to be a material weakness.

Review of Policies and Procedures 2023-001 (Previously 2022-002):

During our audit, several deficiencies were noted regarding the Panama City Community Redevelopment Agency's policies, procedures, and plan documents, and maintaining proper documentation verifying compliance with Florida Statutes. It is our recommendation that the Panama City Community Redevelopment Agency update their policies, procedures, and plans, including verifying compliance with Florida Statute and grant requirements.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Panama City Community Redevelopment Agency's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Panama City Community Redevelopment Agency's Response to Findings

Government Auditing Standards requires the auditor to perform limited procedures on the Panama City Community Redevelopment Agency's response to the findings identified in our audit and described below. Panama City Community Redevelopment Agency's response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

Panama City Community Redevelopment Agency agrees with the auditors' recommendations and is currently updating internal controls to correct these deficiencies.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S MANAGEMENT LETTER

To the Honorable Mayor, City Commissioners,
and City Manager
Panama City Community Redevelopment Agency

Report on the Financial Statements

We have audited the financial statements of the Panama City Community Redevelopment Agency, component unit of the City of Panama City, Florida, as of and for the fiscal year ended September 30, 2023, and have issued our report thereon dated June 20, 2024.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Component Unit Financial Statements Performed in Accordance with *Government Auditing Standards* and Independent Accountant's Reports on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are dated June 20, 2024, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding financial audit report. Corrective actions have been taken to address prior years audit finding 2022-001. Prior years audit finding 2022-002 remains uncorrected and is reported as current year audit finding 2023-001.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. For information regarding the specific legal authority for the entity, see Note 1 to the financial statements.

Financial Condition and Management

Sections 10.554(1)(i)5.a. and 10.556(7), Rules of the Auditor General, require us to apply appropriate procedures and communicate the results of our determination as to whether or not the Panama City Community Redevelopment Agency met one or more of the conditions described in Section 218.503(1), Florida Statutes, and to identify the specific condition(s) met. In connection with our audit, we determined that the Panama City Community Redevelopment Agency did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.b. and 10.556(8), Rules of the Auditor General, we applied financial condition assessment procedures for the Panama City Community Redevelopment Agency. It is management's responsibility to monitor the Panama City Community Redevelopment Agency's financial condition, and our financial condition assessment was based in part on representations made by management and review of financial information provided by same.

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Special District Component Units

Section 10.554(1)(i)5.c., Rules of the Auditor General, requires, if appropriate, that we communicate the failure of a special district that is a component unit of a county, municipality, or special district, to provide the financial information necessary for proper reporting of the component unit within the audited financial statements of the county, municipality, or special district in accordance with Section 218.39(3)(b), Florida Statutes. In connection with our audit, we did not note any special district component units that failed to provide the necessary information for proper reporting in accordance with Section 218.39(3)(b), Florida Statutes.

As required by Section 218.39(3)(c), Florida Statutes, and Section 10.554(1)(i)6. Rules of the Auditor General, the Panama City Community Redevelopment Agency reported:

- a. The total number of district employees compensated in the last pay period of the district's fiscal year as 5.
- b. The total number of independent contractors to whom nonemployee compensation was paid in the last month of the district's fiscal year as 13.
- c. All compensation earned by or awarded to employees, whether paid or accrued, regardless of contingency as \$285,456.
- d. All compensation earned or awarded to nonemployee independent contractors, whether paid or accrued, regardless of contingency as \$740,103.

- e. Each construction project with a total cost of at least \$65,000 approved by the district that is scheduled to begin on or after October 1 of the fiscal year being reported, together with the total expenditures for such project as:

Parking lots St Andrews	\$ 423,877
McKenzie park bathroom	100,000

- f. A budget variance based on the budget adopted under Section 189.016(4), Florida Statutes, before the beginning of the fiscal year being reported if the district amends a final adopted budget under Section 189.016(6), Florida Statutes, is included on pages 25-28.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Honorable Mayor, City Commissioners, the City Manager, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

**INDEPENDENT ACCOUNTANT'S REPORT ON
COMPLIANCE WITH FLORIDA STATUTE 218.415 RELATED TO LOCAL
GOVERNMENT INVESTMENT POLICIES**

To the Honorable Mayor, City Commissioners,
and City Manager
Panama City Community Redevelopment Agency

We have examined Panama City Community Redevelopment Agency's compliance with Section 218.415, Florida Statutes, regarding the investment of public funds during the year ended September 30, 2023. Management of Panama City Community Redevelopment Agency is responsible for Panama City Community Redevelopment Agency's compliance with the specified requirements. Our responsibility is to express an opinion on Panama City Community Redevelopment Agency's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the AICPA. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether Panama City Community Redevelopment Agency complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether Panama City Community Redevelopment Agency complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgement, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the examination engagement.

Our examination does not provide a legal determination on Panama City Community Redevelopment Agency's compliance with specified requirements.

In our opinion, Panama City Community Redevelopment Agency complied, in all material respects, with the aforementioned requirements during the year ended September 30, 2023.

This report is intended solely for the information and use of Panama City Community Redevelopment Agency and the Florida Auditor General and is not intended to be, and should not be, used by anyone other than the specified parties.

**INDEPENDENT ACCOUNTANT'S REPORT ON COMPLIANCE WITH FLORIDA
STATUTES 163.387(6) AND 163.387(7)**

To the Honorable Mayor, City Commissioners,
and City Manager
Panama City Community Redevelopment Agency

We have examined Panama City Community Redevelopment Agency's compliance with Sections 163.387(6) and 163.387(7), Florida Statutes, regarding redevelopment trust fund policies during the year ended September 30, 2023. Management of Panama City Community Redevelopment Agency is responsible for Panama City Community Redevelopment Agency's compliance with the specified requirements. Our responsibility is to express an opinion on Panama City Community Redevelopment Agency's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the AICPA. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether Panama City Community Redevelopment Agency complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether Panama City Community Redevelopment Agency complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgement, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the examination engagement.

Our examination does not provide a legal determination on Panama City Community Redevelopment Agency's compliance with specified requirements.

In our opinion, Panama City Community Redevelopment Agency complied, in all material respects, with the aforementioned requirements during the year ended September 30, 2023.

This report is intended solely for the information and use of Panama City Community Redevelopment Agency and the Florida Auditor General and is not intended to be, and should not be, used by anyone other than the specified parties.
