I hereby certify that that I am seeking to construct my main house, garage, carport and/or accessory structure in the same footprint(s) as the previous structure(s). As my contribution to the neighborhood's aesthetics, I will provide the same amount of landscaping (including trees, shrubs, grasses, etc.) or greater around such proposed structure(s). I understand that I will need to submit a copy of this affidavit along with any other required materials or information as indicated in this information packet with a development Order application.

In addition, I understand that the landscaping will need to be installed prior to the issuance of a Certificate of Acceptance (which is what will then trigger the Certificate of Occupancy from the Building Department).
