WHEREAS, there is a need to establish and provide for the funding of a redevelopment trust fund pursuant to Florida Statutes Section 163.367,

NOW, THEREFORE, BE IT ENACTED BY THE PEOPLE OF THE CITY OF PANAMA CITY:

Section 1. The City Commission of the City of Panama City, Florida, is designated as the Community Redevelopment Agency (herein "CRA") of the Millville Community Redevelopment Area.

Section 2.

A. Establishment of Trust Fund.

There is hereby established and created a Redevelopment Trust Fund (the "Fund") for the Community Redevelopment Agency of the City. Within the Fund, there shall be a segregation of accounting, income, proceeds and funds attributable to the Community Redevelopment Area as established by Resolution No. 06082004-1.

B. Appropriation of Funds.

1. Funds allocated to and deposited into the Fund shall be used by the CRA to fund, finance or refinance any community redevelopment it undertakes pursuant to the approved Community Redevelopment Plan or as otherwise provided by law. Funds attributable to one community redevelopment area shall not be expended on account of any other community redevelopment area.

2. The Fund shall exist for the duration of the Plan, or until all loans, advances and indebtednesses, and interest thereon, incurred for redevelopment of the area have been paid in full.

3. The Fund shall be established and maintained as a separate trust fund by the City pursuant to Section 163.387, Fla. Stats., the provisions hereof, and such other directives as the CRA as may from time to time adopt.

4. The CRA shall be responsible for the receipt, custody, disbursement, accountability, management, investment and proper application of all monies paid into the Fund.

C. Obligation of Taxing Authority to Appropriate Funds.

Beginning with the year of 2004, each taxing authority (as defined in Section 163.340(2), Fla. Stats., shall, by January 1 of each year, appropriate to the Fund a sum that is not less than the increment as defined and determined in Subsection D hereof and Section 163.387, Fla. Stats., accruing to such taxing authority. Annual appropriation to the Fund shall continue for so long as any indebtedness pledging increment revenues to the payment thereof is outstanding, but not to exceed forty (40) years. Should the City of Panama City amend or modify the Community Redevelopment Plan, the taxing authorities shall make the annual appropriation to the

Fund for the area subject to the Amended or Modified Plan for a period not to exceed forty (40) years after the date the Amendment or Modification. Should any taxing authority not pay the increment to the Fund by January 1 of any year, such taxing authority shall pay to the Fund an amount equal to five percent (5%) of the amount of the increment plus interest on the increment equal to one percent (1%) for each month the increment is not paid.

D. Payment of Incremental Increase in Ad Valorem Taxes into Fund.

The increment provided by Subsection C of this Section shall be determined annually and shall be that amount equal to ninety-five percent (95%) of the difference between: (i) the amount of ad valorem taxes levied each year by each taxing authority, exclusive of any amount from any debt service millage on taxable real property within the geographic boundaries of the Community Redevelopment Area, and (ii) The amount of ad valorem taxes which would have been produced by the rate upon which the tax is levied each year by or for each taxing authority, exclusive of any debt service millage, upon the total of the assessed value of the taxable real property in the community redevelopment area as shown on the most recent assessment roll used in connection with the taxation of such property by each taxing authority prior to the effective

date of this ordinance. The most recent assessment roll used in connection with the taxing of such property shall be the 2003 tax roll of Bay County, Florida, and all deposits into the Fund shall begin with the sums equal to the incremental increases for the tax year commencing January 1, 2004, and subsequent years.

If the City denies a request for exemption by a Special District, the City shall provide the Special District with a written report specifying its rational for such denial. Such written report shall include, but not be limited to, a separate, detailed examination of each consideration listed in Subsection E (2) above and shall include specific examples of how the approved Community Redevelopment Plan will benefit, and has already benefitted, the purpose for which the Special District was created.

The CRA shall provide a copy of the report to each taxing authority.

2. Pursuant to Section 163.387(7), Fla. Stats., on the last day of the fiscal year of the CRA, any money which remains in the Fund after payment of expenses for such year pursuant to Section 163.387(6) Fla. Stats., shall be:
